REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The specific limitations of "wherein the body comprises in its region covered by the nut, a peripheral set of teeth and the nut has a locking mechanism fixed thereon which is intended to engage in the set of teeth of the body when the chuck is in the tightened position, wherein the interior wall of the sleeve is in contact with the locking mechanism such that the sleeve collaborates with the nut via the locking mechanism".

5,765,839 to Röhm teaches that the locking mechanism is fixed to an intermediate sleeve 18 and not to the nut. Röhm further teaches the setting sleeve 9 directly activates the intermediate sleeve 18 instead of the nut 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jamila O. Williams whose telephone number is 571-272-4431. The examiner can normally be reached on Monday-Friday 6:30am-3:00pm.
